SUBJECT: GOVERNANCE

Policy 122: CSUS Board Appointments Policy

Board Policy

In accordance with CRS 23-30-113, the Board has authority over all personnel matters relating to the CSUS and has delegated the authority – with certain reservations – to the Chancellor and the Presidents. Unless modified herein, all prior delegations of authority remain as set forth in specific Board resolutions. Further, CRS 24-50-135, *et seq.*, authorizes the Presidents of public higher education institutions, or their designees, to determine which administrative positions are exempt from the State personnel system. Board policy and procedures for appointments provide for different types of appointments depending on the category and function of the appointee, reserving to itself the appointment of the Chancellor and, on the recommendation of the Chancellor, the campus Presidents and CSUS Officers, as defined in Policy 105 and 106.

Employee groups include:

1. Administrative Professionals.
2. Academic Faculty.
3. State of Colorado Classified Staff.
